

Initial Report

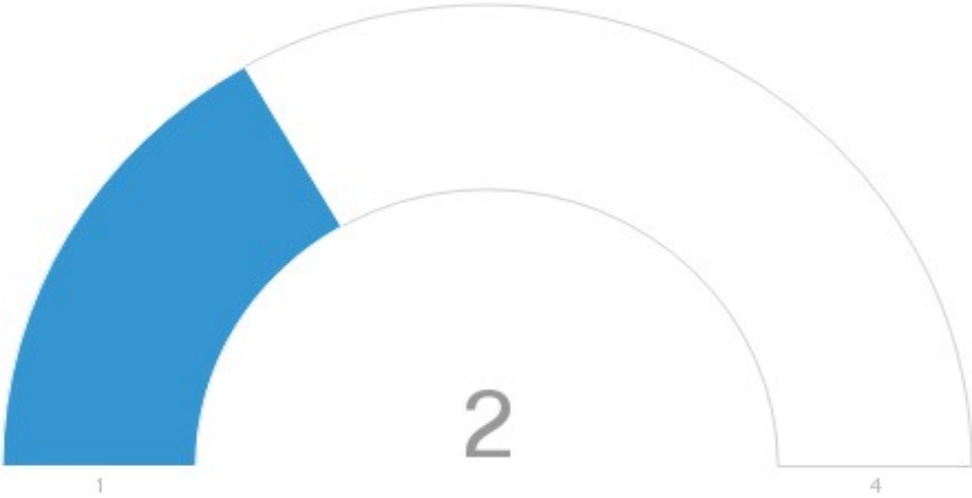

Texas Healthy Communities - Tobacco 2016

June 24th 2016, 10:47 am CDT

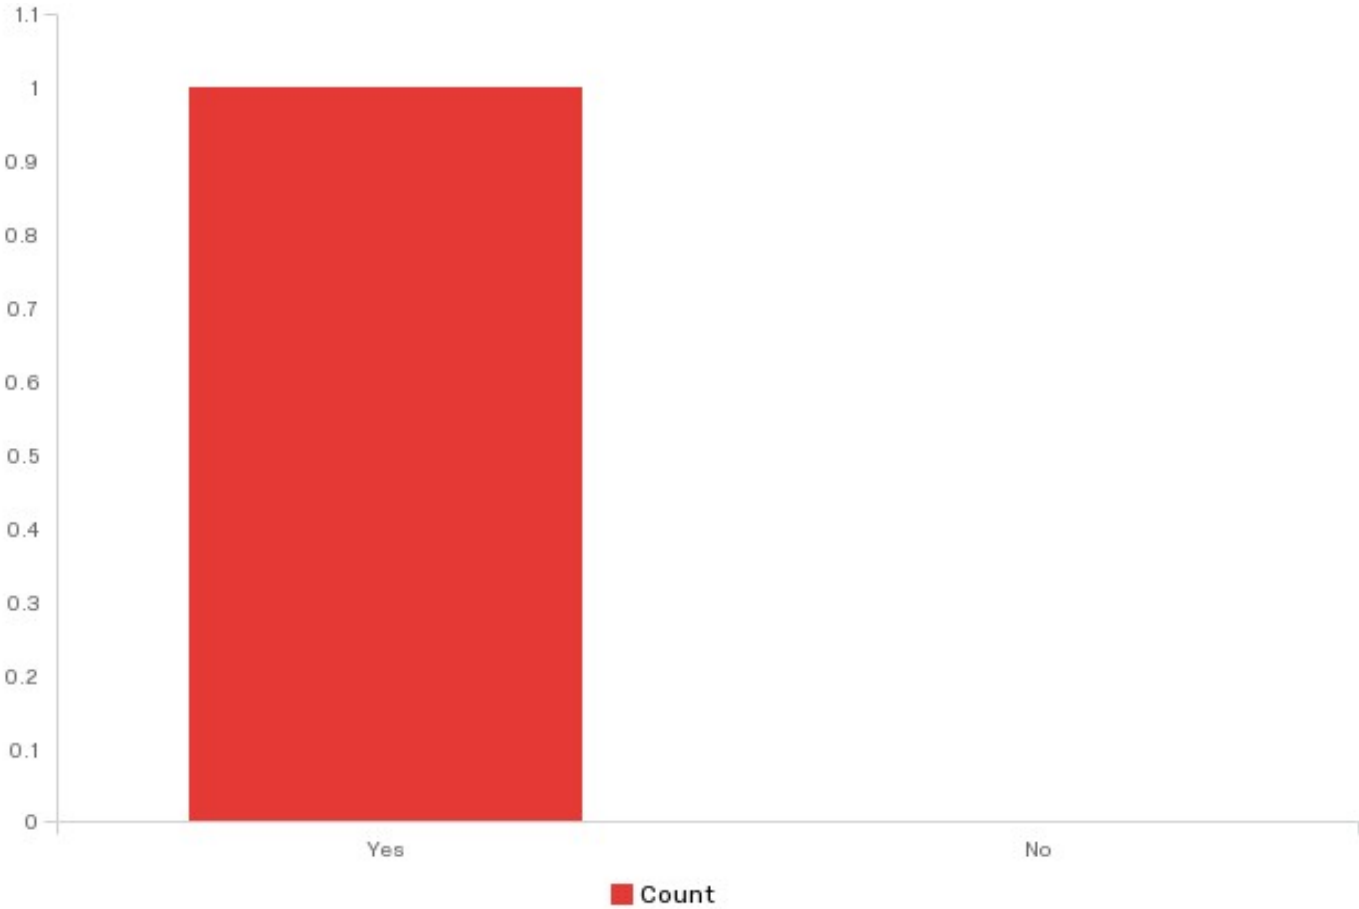

Q1 - Does your community have a comprehensive smoke-free ordinance (No smoking in schools/universities, restaurants, private sector work-sites, municipal worksites, bar in restaurants, bars not in restaurants)?

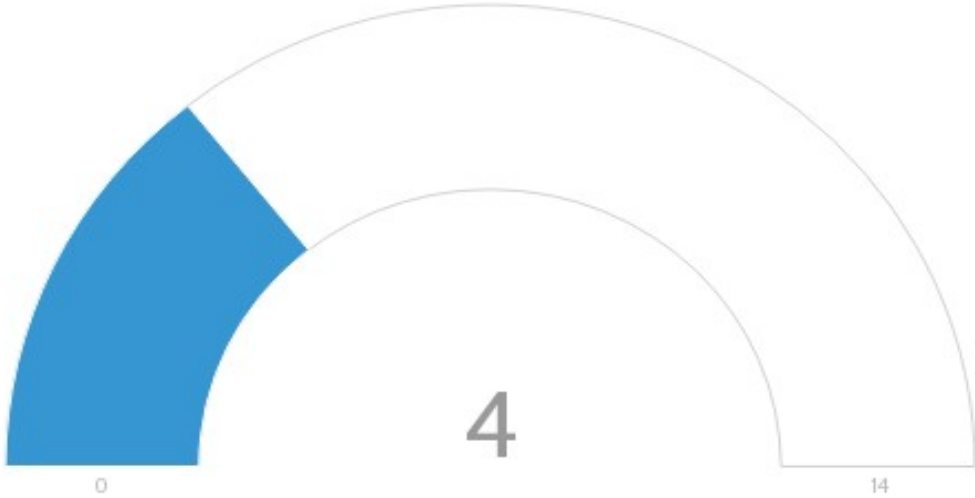

Q2 - If your community has used a campaign in the last year to promote the Quitline and/or tobacco cessation, indicate which type(s)? City Proclamations will not be considered for this question.

Q3 - Have tobacco prevention and cessation promotional campaigns targeted population groups with the highest rates of tobacco use (identified in the community profile)?

SCO - Score

Field	Minimum	Maximum	Mean	Std Deviation	Variance	Count
Score	4.00	4.00	4.00	0.00	0.00	1
